## February 2020

### From the Office of the Principal and Assistant Principal

Happy February to everyone! We have many great activities planned here at Chesterbrook. Rags to Riches will be visiting this month to present the play "All the Same Web," and we will have a visit from a local dentist for dental health month. We look forward to another busy month. Please remember we will be closed Monday, February 17th for our Professional Development Day. The teachers will continue to review NAEYC Standards, lesson planning and social emotional training. Thank you in advance for making alternative arrangements for your child on this day. As always, if you have any questions or concerns please feel free to reach out to us.

### National Children's Dental Health Month

February is National Children's Dental Health Month. This month we will have a Dental Health Educator come and speak with students 2 and up about keeping their mouths and teeth clean and healthy. Check out ADA.org for information on children's dental health and fun activities.

### Soccer Shots Spring Season

## Starts March 12!

Soccer Shots is off to a running start this winter season! Soccer Shots is an engaging children's soccer program for ages 2-8 with a focus on character development. Their caring team positively impacts children's lives on and off the field through best-in-class coaching, curriculum and communication. They have an expert-approved curriculum that aligns with early childhood education standards.

The Spring season of Soccer Shots starts March 12th! Sign up now for the season that runs through May 28. Total cost for this season is \$204 paid in full with your March tuition through Chesterbrook. Ages 2 and up are welcome to participate. Classes are held Thursday mornings here at Chesterbrook. See the front desk for a sign up sheet today!

### **Where Does All the Money Go?**

We want to thank each of you for the participation in our recent fundraisers! Participation is always optional. We feel that by offering a variety of fundraisers, families can pick the ones that work best for their family. The companies we work with are nationally recognized brands, are financially reputable, and have offered a good return for our time and efforts. With sales from our fundraisers, we are able to purchase extra supplies for the classrooms. We have recently purchased new rugs, toys, and furniture. All money raised during our Scholastic Book fairs is invested back into books for our classroom libraries.
