June 3 – August 18

Chesterbrook Academy

Sunrise

## JOIN OUR SUMMER HEROES

# Welcome!

As a continuation of our Links to Learning® curriculum, camp offers a fun-filled summer program for children ages 1 to 5. Each week, preschoolers jump into action, participating in fun and exciting activities and special events.

Our preschoolers have the opportunity to expand their horizons during the summer, embarking on new adventures, and having fun!

Although we want the children to have the best summer possible, we can't forget about all they've learned during the school year.

Our Links to Learning summer curriculum is designed to review and strengthen skills taught during the school year. Various academic activities will be integrated throughout your child's daily summer experience.

Our camp program will inspire your child's mind to engage, explore, create and stay active this summer!

# Activity Blocks

Sprinkled throughout each week, Activity Blocks give campers fun and variety in their camp day.

## Brain Games

Our little learners will join forces to solve puzzles and complete matching while developing problem-solving and reasoning skills.

## Major Leaguer

Campers will practice sportsmanship through sports and games that focus on sharing, taking turns and being a good friend.

## Globetrotter

Buckle up! We'll be going on a cultural adventure around the world to learn about different customs, traditions, and food.

## Art Buddies

Campers will put their creativity to the test as they use a hodgepodge of materials to create wacky and abstract masterpieces.

## Friendship Tree

Campers will work together to collect donations for children in need. In the process, they'll learn about the valuable role of community service organizations.

## Clay Play

We'll be making quite the mess this summer as campers participate in hands-on, multi-sensory art projects using clay.

## Zoom In

Campers will practice fine motor skills as they draw pictures and explore photography and cameras.

## Shake it Out

Don't just stand there... bust a move! Through dance, drama and music, campers will practice self-expression while tapping into their inner performer.

## S.T.E.A.M. Squad

Campers will discover a magical place where science, technology, engineering, art and math come together to ignite curiosity and problem-solving skills.

## Splash Zone

Splish, splash! Campers will keep cool this summer as they play water-themed games, explore at water tables, run through sprinklers, and much more!

## Safety Town

We'll honor local police, firefighters, military and other community helpers, and show campers how they too can help by giving back and following safety rules.

## Eco-Explorers

Sunshine, water and nurturing is all it takes for a tiny seed to grow into a plant. Our campers will discover firsthand how weather and the environment affect living things.
