

February 2020

Dear Chesterbrook Families-

The year is off to a great start so far and we're enjoying spending the winter season with you and your children. It has been a mild winter and it looks like Spring will come early this year.

We also want to extend a heartfelt welcome to the new families that joined us in January. Thank you for choosing Chesterbrook Academy to care for your children. Have a wonderful month and Happy Valentine's Day!

Sincerely,
Kristen Suh, Principal

Keeping Healthy During Season of Illness:

To help keep our community healthy, we remind parents never to mask a fever with Tylenol or Advil in order to send a sick student to school. The student's illness could get worse, and they could make many other students, teachers, and staff sick.

Please be advised that we will continue to strictly enforce our policy of requiring children with a fever to stay home until fever-free for 24 hours without taking fever-reducing medicine. If your child becomes sick at school, you will be called immediately and expected to take your child home within one hour.

Class Valentine's Day Celebrations

Our classes will be celebrating Valentine's Day on February 14th at 3:00 PM with a classroom party. Parents are always welcome, but photos will be shared on Links 2 Home as well!

President's Day

We are closed on February 17th (President's Day). However, our staff will be attending Professional Development Day!

We Love Our Parents!

Do you know any parents who have recently moved to the area, are expecting a baby or are unhappy with their current preschool? We value our current parents and would love more families like yours at our school! Refer a new family to our school and your family could receive a free week of tuition. (applied to the oldest child's tuition)
For more information, please ask Kristen
