## It's Spring And Look Who's Blooming!

Spring is on the horizon, and we cannot wait to welcome the beautiful weather and fresh Spring air! We are eager to continue watching our students' love of learning through play, grow and bloom even more this month!

Our teachers have many engaging activities planned this month for our young learners. We will kick off March by celebrating National Read Across America week, in honor of Dr. Seuss's Birthday! Refer to this newsletter, as well as our display on the front desk to learn more about this fun week.

We cannot wait to see everyone dressed in their best for our Spring Lifetouch portraits. All parents will receive proofs of their child's photo the same day they are taken. You will be able to log in online and view your child's photos, choose the packages you want and have your photos shipped right to the school!

As always, we have an open door policy here at Voorhees. Stop by the office at any time with any questions, concerns or suggestions, we are here and happy to help. Thank you as always for your ongoing support of our school!
