A Note from our Principal

In anticipation of spring, our teachers are busy planning meaningful learning activities that will help students gain an appreciation for the changing seasons. In order to make the most of the next few months we will be spending extra time outdoors so our students can interact with nature. Please make sure your child has weather appropriate outerwear for school each day.

Parent reports will be sent home at the end of the month. If you are interested in setting up a parent teacher conference, please reach out to our admin team. Conferences can be done face to face, via email, or over the phone. Please let us know which option works best for you.

Educationally yours,
Kristen Roselli
