February was a great month at our school! In anticipation of spring, our teachers are busy planning meaningful learning activities that will help students gain an appreciation for the changing seasons. In order to make the most of the next few months we will be spending extra time outdoors so our students can interact with nature. Please make sure your child has weather appropriate outerwear for school each day. Do you know anyone that has recently had a baby, relocated to the area, or is seeking a new preschool for their child? We are always happy to meet the friends of our current families, and offer a free week of tuition for any current parent referral that enrolls in our school. See the front desk for details!

Heading out of town for Spring Break? Please let the front office know if you are planning on using your vacation time this month. Our local school districts are closed from April 6th-10th for Spring

Break but our school-age program is open! We have an entire week of challenging, fun and engaging activities planned for our school-age students. We cherish this extra time with our older students and would love for your child to attend. Please contact the front desk for more information.

Don't forget to take a few minutes to take our survey! Thank you for all of you that have already responded but please I would like to hear from everyone! I want to make this the best place for you and your children so please tell us how we are doing!

Thank You!
