

About Distance Learning:

Our program remains focused on all developmental learning domains and utilizes age-appropriate technology. Our goal is to continue your child's educational development while ensuring they are maintaining connections with their Preschool environment!

Enrolled students will receive:

- Weekly at-home learning plans with activities from our Education Department
- LIVE interactive learning sessions daily via ZOOM
- Pre-recorded virtual learning experience videos weekly
- Individualized curriculum support from our Distance Learning Teachers and Administration Team

Contact us today to try a **FREE** virtual learning session!

Do you have a friend or family member who is looking for additional enrichment and learning for their preschooler during the day? Refer them to our Distance Learning program to earn one free week of tuition!

We Are Stronger Together!

Now more than ever, we are in awe of the flexibility and resilience of our students and families. We have enjoyed receiving photos of all of our families in their homes, showing us how they are engaging in the fun activities and learning we have been providing. We most importantly, enjoyed seeing you all online the past few weeks and we are hopeful that we can be together again soon!

In the meantime, we are in the process of planning for summer and have a few fun activities for us to do "together" this month. Since we can't be together to celebrate Mother's Day this year, we want to acknowledge all of the amazing things our moms, grandmothers, aunts and mother figures are doing during this challenging time. **On Friday, May 8th from 4:00pm - 4:30pm**, we invite you to pop into your child's virtual class to share a Mother's Day moment with your fellow moms. Bring your favorite snack and tea or beverage. Stay tuned for further details on more upcoming fun activities we have planned this month!

From the bottom of our hearts, we want to thank you for being so supportive of our school through this challenging time and sharing your warm wishes with all of us. We miss each and every one of our families and students so much and we cannot wait until we are together again. We would like to wish all of our friends and families continued health and safety through this time, and "together" we will get through this and rise to the top! We love you Chesterbrook Teachers, friends and families!
