A SUMMER FULL OF NEW ADVENTURES...

On behalf of our entire Chesterbrook Academy of Washington Township team, we'd like to send a huge thank you to everyone for your support and flexibility as our school navigated the many challenges presented by the COVID-19 pandemic. We are so appreciative of everyone's understanding as we've had to change many of our traditional policies and procedures in light of new health and safety measures, and especially of everyone's patience as we've worked through various hurdles in getting used to these new routines. Times may be quite different, but we are all so excited to be back in our school and spending time with our friends!

As we embark on this new journey for our school, please know that our team is dedicated to ensuring the children receive the love and nurturing that you're used to receiving from us throughout the day, paired with a new focus on mitigating the spread of COVID-19. In our classrooms, our teachers will implement social distancing whenever possible and will limit activities that utilize shared touch surfaces. As a team, we will continue to try out new methods of encouraging socialization and interaction in safe ways. We welcome any suggestions or feedback as we move through the summer. This is a "new normal" for everyone, and we are here to learn!

We truly have the best preschool community in the world and we are all so thankful for the opportunity to work with you. Thank you always for your ongoing support of our school!
