# Diving into Summer, a little differently this year...

On behalf of our entire Chesterbrook Academy team, we are thrilled to say welcome back! We want to thank all of you for your continued support, flexibility and patience with us as we navigated through the many challenges presented by the COVID-19 pandemic.

As we continue through this “new normal” together, we want to reassure you that the health and safety of our children and families is always our highest priority. To mitigate the risks of COVID-19 while children are in our care, we will continue to implement the many health and safety measures we’ve adapted based on CDC guidelines, state and local regulations, and the American Academy of Pediatrics.

Our teachers will continue to implement social distancing in the classroom whenever possible as well as practice hand washing through out the day. We will encourage our students to safely socialize with other students from a distance, to ensure everyone’s safety.

We are truly impressed at how our students have adapted to this new normal and the many changes we are seeing daily. We encourage any and all questions or suggestions as we continue on through this new journey together, every day is a learning process for all of us.

From the bottom of our hearts, we want to thank you for your continued support of our school through this challenging time and for sharing your warm wishes with all of us. We missed each and every one of our families and students so much and we are so happy to be together again. We wish all of our friends and families continued health and safety through this time! We love you Chesterbrook teachers, friends and families!
