## Back to School TOGETHER...the best place to be!

Summer has sadly come to an end and another school year is here! Although our back to school experience will look a little different, we are so excited to see what the new 2020-2021 school year has in store for us!

We'd like to extend a warm welcome to our new families joining us, and a sincere thank you to returning families and those that chose to spend their summer with us. We enjoyed making memories with your children and are looking forward to spending more time making memories together this year!

We understand this "new normal" can be a bit overwhelming for you and your child, and we want you to know we are here to support you! We welcome any feedback on how we can help make this transition as smooth as possible for you and your child.

As always, we want to thank you for your continued support of our school, especially through this challenging time. We look forward to watching your children continue to grow and flourish while learning through play!

**Thien Kasper**  
Principal

**Michelle Yezzo**  
Assistant Principal
