SAFELY EXPLORING FALL MEANS FUN FOR ALL

It feels like only a few weeks ago that we reopened our doors after our COVID-19 closure, and now we're swiftly moving through the fall season and closer to the winter holidays! Where has 2020 gone?

Although our year is moving quickly, our team is dedicated to making sure our little friends feel anything but rushed with the fun of each school day! With appropriate safety measures in place, our classes have had a great time exploring the changing landscape of fall, learning about the different parts of apples and pumpkins, and getting excited for the silly spooks of Halloween!

We are also thrilled to take a few steps closer towards normal this month with the return of our Lifetouch Fall Picture Day! In compliance with the updated child care licensing regulations in the State of New Jersey, we will welcome our friends from Lifetouch into our school for a safe, social distanced picture day experience! Stay tuned for more details to come.

As always, please reach out with any questions, comments, suggestions, or concerns. Thank you always for your ongoing support of our school!
