## We're turning over a new leaf this month!

This month marks the start of Fall! We successfully completed our first month of the 2020-2021 school year and we couldn't be more proud of all of the children and their growth in just one short month. We have quite a few events planned for October! We encourage you to reference the important dates listed on this newsletter so you can stay up to date with what's happening.

We will be holding a virtual "Back to School Night" for our Kindergarten class on Tuesday, October 6<sup>th</sup> at 6:00pm with Ms. T. For our Infant through Pre-K classes, virtual "Back to School Night" will be held on October 13<sup>th</sup> at 6:00pm, for the opportunity to meet with your child's teacher. Keep an eye on your Links 2 Home app and email for further details regarding this virtual BTS night.

We recognize Halloween this year may look very different for our children. At this time, we will **NOT** be holding an indoor/outdoor Halloween parade, however we are still planning a few fun activities for the children! Children are welcome to wear their costumes to school on Friday, 10/30. We will also celebrate this fun holiday with a class party, Fall activities, and music and movement. If any exceptions can be made regarding a Halloween parade, we will notify all families as soon as possible.

As always, we want to thank you for your continued support of our school, especially through this challenging time. We look forward to watching your children continue to grow and flourish while learning through play!
