We believe lifelong training in classical music changes lives.
Registration Details and Pricing on Back.

Chesterbrook Ashburn

Music and Movement: 18-35 months

They say music is food for the soul, but did you know continuous exposure to music may also influence brain development? The more enriching the environment, the more complex the resulting neurological pathways. Make no mistake your Little Mozart's neurons are firing in delight to the sounds that surround them in our fun and interactive weekly classes.

Duration: 20 minutes group OR 10 minute private lesson/week
(depending on teacher recommendation and # of students enrolled)

Cost: \$21.25/week or \$92/month

Small Group Piano: 3-5 YEARS

Carnegie Hall here we come! For over 10 years we have been teaching students as young as 2 & ½ years old how to play the piano. By age 3, give or take 6 months, children are ready both physically and mentally to learn the basics of piano. Their brain is 80% of its adult size, and their fine motor skills are ready for fine tuning.

Duration: 30 minute group training + 10 minute one-on-one coaching OR 20 minute one-on-one coaching/week (depending on teacher recommendation and # of students enrolled)

Cost: \$42.50/week or \$184/month

Small Group Guitar + Piano Combo Class: School Age

Students are introduced to the basics of playing piano + guitar. Successfully learning to play with other classmates strengthens a musician's technique, skills and musicality. While learning how to play an instrument may even help with fractions, higher Mathematics and SAT scores!

Duration: 30 minute group training + 10 minute one-on-one coaching OR 20 minute one-on-one coaching/week (depending on teacher recommendation and # of students enrolled)

Cost: \$42.50/week or \$184/month

Private Lessons: Ages 1.5 Years +

Interested in a specific instrument with one on one instruction. Our instructors collectively play every instrument in the symphony orchestra. Your little Musician is bound to have a great time learning to play an instrument while strengthening their critical thinking skills and self-esteem!

Duration: 30 minutes/week one-on-one coaching

Cost: \$57.69/week or \$250/month
