## **Chesterbrook Academy Families,**

We hope your children enjoyed their fall lessons, pumpkin themed activities and classroom celebrations last month. Seeing our students enjoy their Halloween costumes and fall attire is one of the highlights of the year for us. Thank you for allowing us to be part of these special occasions! This month we are focusing on gratitude and connecting with others. Though we cannot hold our normal Thanksgiving community meal this year we have many special activities planned for our students and are looking forward to sharing photos with you all on Links 2 Home. Each of our classrooms will be celebrating Thanksgiving with a craft party and special treat on November 20<sup>th</sup>. Students are making their own placemats and other Thanksgiving themed artwork to bring home to share with family members.

Our parents are vital partners in helping us to maintain a safe and healthy environment for the students in our school. The most important thing you can do to assist us in creating a healthy environment is to keep your child home if they are ill. This reduces the spread of illness and allows your child to fully recuperate. For more information please see our Parent Handbook or reach out to us with any questions.

In today's connected world, many families turn to online reviews to learn more about the reputation of schools. Just a reminder that you can find our school on Facebook, Google, Yelp and other online directories. We'd love more families like yours, so please consider spreading the word about our school.

As always, please let us know if you have any questions or concerns
