OCTOBER NEWS

A NOTE FROM THE PRINCIPAL

Fall is here! We are always a little sad to see summer go but Fall has so much fun to offer! This month we will be exploring nature and spending some quality time outside in the crisp fall weather. We are looking forward to Halloween and dressing up in our costumes. Halloween will look a bit different this year due to the social distancing restrictions but we are busy planning lots of safe, fun activities to make it special!

FALL SCAVENGER HUNT

Fall is a great time to enjoy the outdoors with your family. From colorful leaves to seasonal decor, there is so much to see and explore.

Our [Fall Scavenger Hunt](#) is a free printable that you can download and print at home. We've included pictures and words, so preschoolers of all ages can participate. Scavenger hunts are the perfect excuse to get outside and help children observe and identify what is happening in nature all around them. See how many items your child can find!
