It's Cold Outside!

Message from the Principal

Hello CBA Families

We hope that you all had a wonderful and safe Thanksgiving with loved ones. As the winter holidays approach, we have many special activities planned for our students and look forward to spending the season with them. We've also enclosed several important winter and holiday reminders in this newsletter. Please read through it carefully and reach out if you have any questions or concerns. Happy holidays!

Infants A&B

In The Infant room this month we will focus on pulling up & down safely and crawling.

We also will be making some fun festive projects for Mommy & Daddy.

Please bring in a picture with just baby and Daddy to match the sign language of the month.

The sign language for this month is:

"Daddy"

Toddlers A&B

Toddlers are having a blast!

We have a few new friends visiting the toddler room from the infant room. We want to welcome Allison, Cecilia, and soon Arish. We are so excited about them coming over!

Parents please be sure that your child has on shoes and with the weather getting colder outside, please bring in warm clothes for their cubbies. Also, bring in food that they can feed themselves. We are still working on our fine motor skills.

Beginners A&B

Potty Training has been going awesome!

Thank you, parents for working with us on this task. We really see who has been putting in the hard work.

This month we will work on being more self-sufficient. With, hanging up their jackets, cleaning up after themselves and etc. It's been going great!

Intermediates/ PreK-1

This month we will be doing Christmas around the world.

First Week: Spain & Mexico.

Second Week: Africa & Israel

Third Week: USA & Puerto Rico

Fourth Week: Germany & Italy

We will learn about their culture and the different things their families do to get ready for the Holidays.

PREK-2

This month we will be focused on are handwriting skills. We want the child to be able to write their first and last name, as well as some site words. Also, we will be working on Math problems, dealing with addition and subtraction.

Then, later on this month we will like to make a ginger bread house as a class. We are asking if you could donate the items to make this happen. The list will go out at a later date of what items we would need and what date they are needed by.
