

Dearest Parents,

It is with a heavy heart that we must say good-bye. As you know, our little school will be closed until July 2021. I feel confident that our home office will work diligently to find a new team that will continue the hard work that we have been doing. This is a very bittersweet moment for me because of all the accomplishments, gains and obstacles we have overcome! We have built solid relationships with each other as a school family and we always strived to make decisions based on what is best for the children.

Our school has always been about our kids and families. You have made our time together exponentially wonderful! I and the entire staff will hold many great memories for years to come because of you and your children. I am very proud of our school, our students, our teachers and our staff! We have made a commitment to provide our kiddos with excellence in education and we will see it through until the last day.

I would like to extend a special thank you to Ms. Torri for supporting me as the principal and to all the teachers and staff for their love and commitment to our children. Families, from all of us...THANK YOU for allowing us to be part of your child's life and for loving us along the way.

Warmly,

J.B. Arbelo-Bean, Principal

NEVER EVER
EVER
GIVE UP!

Sickness

Our parents are vital partners in helping us to maintain a safe and healthy environment for the students in our school. The most important thing you can do to assist us in creating a healthy environment is to keep your child home if they are ill.
