January 2020

## A Note from the Principal's Desk

Happy New Year! We can't wait to spend 2021 with you and your children. Thank you to all who participated in our holiday giving initiative last month. With your help, we collected 22 gift cards and over 20 books/gifts for Humanitarian Service Project's Giving Tree project. Your generosity is truly appreciated! We are looking forward to a bright, happy and healthy 2021 with you and your family. Please take a moment to read the news and reminders below and reach out to us with any questions!

Sincerely,  
*Heather Zudycki*

## Survey Says...

Thank you to everyone who took the time to complete a Parent Survey this fall. Your feedback is incredibly valuable to us and vital to improving our programs and recognizing our successes! We are so happy to hear all your positive comments and staff shout-outs. We are also committed to improving communication and parent involvement based on your feedback. Please look for a detailed Parent Survey acknowledgement and response coming soon!

## Winter Clothing Reminder

If you've not already done so, please ensure your child has an extra set of weather appropriate clothes at school. Students also need to come to school each day with a winter jacket and dressed warmly enough to play outside for part of the day. We will be keeping gloves and hats at school for the week and sending them home on Fridays. Please send them back at the beginning of each week.

## Illness Policy Reminder

Our parents are vital partners in helping us to maintain a safe and healthy environment for the students in our school. The most important thing you can do to assist us in creating a healthy environment is to keep your child home if they are ill. We ask that if your child has a fever, please keep them home until they are fever-free for 72 hours. Thank you for helping keep everyone healthy.
