Chesterbrook Academy Families,

February was a great month at our school! In anticipation of spring, our teachers are busy planning meaningful learning activities that will help students gain an appreciation for the changing seasons. In order to make the most of the next few months we will be spending extra time outdoors so our students can interact with nature. Please make sure your child has weather appropriate outerwear for school each day.

We're designing the perfect summer camp for your child complete with all the fun, enriching activities they love, and the important safety measures you expect. Save the Date: **Registration Opens March 15th!**

Do you know a colleague who has recently had a baby, a friend in need of care who just relocated to the area, or a family member who is seeking a new preschool for their child? We are scheduling tour appointments for our next Open House on **Saturday, March 20** to meet with the friends of our currently enrolled families. When you refer a friend and they enroll, you're eligible for a **free week of tuition**. Ask us for details!

We would love to have "mystery readers" come join us for circle time via Zoom. Be on the lookout for a sign up coming this month. This is a great way to be involved in your child's classroom.

As always, please let us know if you have any questions or concerns.
