

Chesterbrook Academy News

March 2021

A note from the Principal's desk...

February was a great month at Chesterbrook Academy! Our Professional Development Day was a wonderful learning day for our teachers. Trainings focused on quality improvements to classroom interest areas. We also completed a concussion protocol training. March will be a busy month as always for us! Our staff is looking forward to celebrating March Madness with jeans and college team gear on Mondays -- feel free to join us!

In anticipation of spring, our teachers are busy planning meaningful learning activities that will help students gain an appreciation for the changing seasons. In order to make the most of the next few months we will be spending extra time outdoors so our students can interact with nature.

Looking ahead, we're designing the perfect Summer Camp for your child complete with all the fun, enriching activities they love, and the important safety measures you expect. Save the date: registration opens March 15th!

Headed out of town this month? If you are planning to use your one-week vacation credit this month, please let us know in writing at least two weeks in advance.

Thank you for sharing your children with us!

Heather Zudycki

Parent Referral Bonus!

Do you know a colleague who has recently had a baby, a friend in need of care who just relocated to the area, or a family member who is seeking a new preschool for their child? We are scheduling tour appointments for our next

Open House on Saturday, March 20 to meet with the friends of our currently enrolled families. When you refer a friend and they enroll, you're eligible for a free week of tuition. Ask us for details!

Dates to remember

3/1 - 3/5 Read Across America Week

3/10 Last day to order Little Caesar's Pizza Kits!

3/29 - 4/2 - Spring Break Camp for School Age students

4/7 - Picture Day

Did you know...

Children who spend less time watching television in early years tend to do better in school, have a healthier diet, be more physically active, and are better able to engage in schoolwork in later elementary school.
