Message from the Principal

Hello CBA Families

February was a great month at our school! In anticipation of spring, our teachers are busy planning meaningful learning activities that will help students gain an appreciation for the changing seasons. In order to make the most of the next few months we will be spending extra time outdoors so our students can interact with nature. Please make sure your child has weather appropriate outerwear for school each day.

This month Infants will be focusing on developing visual and motor skills. By blowing bubbles and the babies will focus on catching them.

Also, our theme for the month is Clouds. We will be doing a brunch of fun and hands on activities pertaining to this theme.

As a reminder, please be sure that your child has their shoes and warmer clothes; we will still be going outside as weather permits.
