Thank you all for helping our school celebrate Earth Day. Together, students at our school learned about recycling and brainstormed ways to reduce, reuse and recycle, built recyclable robots, and planted flowers and seeds. Celebrating Earth Day provided our teachers with many opportunities to relate science, math and literacy concepts to everyday life. As we move into May, we are getting our classrooms ready for a summer of additional enrichment. We can't wait to spend summer with you and your children!

Sincerely,
Alyssa and Tia

Teacher Appreciation Week

We love our teachers! Check out these great activities we have to celebrate them the week of May 3rd! Monday "You Make Us Bloom", Tuesday "Teachers Are Noteworthy", Wednesday "Supply Them With Thanks", Thursday "My Teacher's A Treat", and Friday "Thanks Are In The Cards".

Please let us know if you have any questions or if you are interested in participating in Teacher Appreciation another way.
