April 2021

A message from the Principal

We wanted to thank you for your continued support and patience as we navigate safely, operating our school during this time. We ask that if you plan to be on vacation or absent from school, please utilize the Links 2 Home app to mark your child absent. Just a reminder drop off time is before 9:00A.M. This gives us time to properly staff each classroom and gets your child engaged right away in our wonderful academic program. March is our Spring themed month. We will be hosting our annual Ladybug Release on April 22. Each class will get ladybugs and we will release them outside on the PreK playground. If everyone could wear black or red or red with black polka dots that would be awesome! More information will be sent

Please make sure to bring an updated immunization record for your child. If you have an upcoming schedule appointment in the next couple days you can bring it then, if your child has already had one, please have the doctor email the most recent record. We need these to continue to be in Compliance with the State.

March Recap

Principal Jina read: How to Catch a Leprechaun to the Beginners, Intermediate and PreK-2 classes
PreK-1 painted rainbows.

Dates to Remember

April 4 Easter

April 22 Ladybug Release

April 14 Spring Pajama Day
