SUMMERTIME, AND THE LEARNING IS EASY

We made it! The end of the school year has arrived, and there is so much to celebrate in all of our programs! We've seen our Infants and Toddlers go from crawling to running and from using baby sign to having vocabularies of close to 100 words. The Beginners have learned to count up to 20 and to recognize all of their colors and shapes. Our intelligent Intermediates have conducted all kinds of experiments to learn about the world around them, while our Pre-K students are learning about the world by starting to read on their own! And we can't forget Kindergarten – the role models of our school, who are ready to move on from Chesterbrook Academy and conquer the exciting world of elementary school. The greatest part of all of this success is that it is only the beginning for each and every one of them!

As the saying goes: When one door closes, another one opens! With the end of our traditional school year comes the start of our Summer Camp 2021 season, which we couldn't be more excited about! As a reminder, we encourage you to keep a copy of the camp activity schedule for your child's class on hand to reference through the summer so you can stay up-to-date with what is happening each day. We will also be sending out several reminders through Links 2 Home as the season progresses to help you prepare for each of our many special events.

Thank you always for your ongoing support of our school! Stay cool out there!
