SPLISH, SPLASH, & SUMMER LAUGHS

Happy summer! We have been so excited to continue into the warm summer season with so many friends from the school year, as well as to welcome back old friends who are joining us for camp!

Our Summer Camp 2021 schedule is in full swing, and we couldn't be having more fun with your little ones if we tried! Our Toddlers have been splish-splashing their way through their weekly Splash Days, while our Beginners have been staying active in Itsy Bitsy Fitness. Our Intermediate & Pre-K friends have been spending their days becoming awesome athletes in Mini Sports and preparing for their upcoming school year through our Links to Learning curriculum. And we can't forget our Senior Campers, who have been having fun on-site with exciting in-house entertainment and special events!

This month, we are excited to host our school-wide Kids Helping Kids fundraiser to raise money for the Ronald McDonald House of Southern New Jersey. Kids Helping Kids is a community service initiative that all of our Spring Education Group preschools participate in to teach our students about making a positive impact on the world. Stay tuned for more information throughout the month!

Thank you always for your ongoing support of our school and our camp!
