*If you use a menu supplied by your caterer, you do not need these templates.
Otherwise, please continue.*

Select your template based on the number of meals you provide and the length of your meal descriptions. **Delete the other tabs.** Save as a new name.

Replace the logo with that of your school brand.

Go into the footer and change the school name, address and phone number to that of your school.

In row 1, change the name of the month and year if needed.

Change the names of meals if needed. For example, you may call it breakfast instead of am snack.

Change the blue date numbers to reflect the particular month that you are in.

Type or "copy special" your actual food items into each meal & date.

Make sure you have saved your menu under a new name.

Save as a PDF (File -> Print -> Select Adobe PDF as the Printer -> Click Print)

Email the Excel file & PDF to Marketing to post on your website

Each month, repeat steps 4-9 but instead of sending to marketing, **post the PDF to your menu page on your website.**
