## EXPLORING AUTUMN ADVENTURES

Fall is one of my favorite seasons because we love watching the children discover new things happening right before their eyes. They come in and talk about the cool and breezy weather, the new color of the leaves, and the way it's getting darker at afternoon pick-up each day. From an educator's perspective, fall is also the season that symbolizes a new beginning, as the school year has kicked off and gone into full swing. The rush of trying to transition into new routines is over, and now we can all settle down and really enjoy all there is to love about being in preschool!

This month, we are excited to welcome back our Annual Halloween Parade in our front parking lot, where we will have the chance to celebrate masks in a much different (and more exciting!) way than we've become used to! Please keep an eye on Links 2 Home for more information as we move through the month.

As always, please reach out with any questions, comments, suggestions, or concerns. Thank you always for your ongoing support of our school!
