Scholastic Book Fair

The scholastic book fair is back! But it will be a little different this year. We have decided that in order to keep everyone healthy and safe we will be hosting an Online book fair this year!

Chesterbrook Academy's curriculum, Links to Learning, is a literature-based program. As such, we love the book fair! Not only does it give our families an opportunity to add to their libraries, but our teachers as well! Teachers put out a wish list for books they'd love to receive as a donation from a parent/student. We also receive a percentage of the proceeds to purchase books for the school! It's a great way to keep new books coming into the school to keep things fresh and new.
