April was a busy month! We had such a wonderful time celebrating Week of the Young Child and Earth Day! Our students learned all about the lifecycle of ladybugs and ways to keep the Earth clean. They enjoyed seeing the ladybugs and releasing over 1500 ladybugs on our playground. As we move into May, we are looking forward to celebrating our teachers for Teacher Appreciation Week and planning for a fun-filled summer.

### Teacher Appreciation Week

Please join us in celebrating Teacher Appreciation Week (May 2-6). Our enthusiastic and caring teachers make learning fun every day for our students. We will send home an updated favorite things list via Links 2 Home soon.

In addition to the fun activities going on in our schools for Teacher Appreciation Week, we'd love if you would help us celebrate our teachers by thanking them with an online review. Keep an eye out for an email from us on how to do so!
