## Chesterbrook Academy Families,

April was a busy month! We had such a wonderful time celebrated Week of the Young Child and Earth Day! Our students learned all about the lifecycle of ladybugs and ways to keep the Earth clean. The classes were so excited to release the ladybugs and we even made the FOX5 news. Check out the below photo! As we move into May, we are looking forward to celebrating our teachers for Teacher Appreciation Week and planning for a fun-filled summer.

Please join us in celebrating Teacher Appreciation Week (May 2-6). Our enthusiastic and caring teachers make learning fun every day for our students. In addition to the fun activities going on in our school for Teacher Appreciation Week, we'd love if you would help us celebrate our teachers by thanking them with an online review. Keep an eye out for an email from us on how to do so!

We will celebrate the accomplishments of our Pre-K2 students on June 17th. More information will be coming your way soon!

Our students love spending time outdoors and we want to make sure we take ample advantage of the nice weather. Please make sure to refresh the spare clothing in your child's cubby. Take home anything that no longer fits and leave a spare set of well-fitting, weather-appropriate clothes.

**Does your child have a Birthday coming up? If so, we can help! Birthday Cupcakes are a safe way to celebrate with the class. Please ask us for more information!!**

As always, please let us know if you have any questions or concerns.
