A Note From Our Principal

April was a busy month! We had such a wonderful time celebrating Week of the Young Child and Earth Day! Our students learned all about the lifecycle of ladybugs and ways to keep the Earth clean. We also released lady bugs to nature and each classroom created recycled sculpture from recycled materials donated by families. As we move into May, we are looking forward to celebrating our teachers for Teacher Appreciation Week and planning for a fun-filled summer. We also celebrate Mothers!! Happy Mothers Day!

Sincerely,

Kristen Suh, Principal
