Winter 2023

A Place to Grow:

Where learning continues beyond the school day

Our Before & After School Programs offer students enriching opportunities for discovery and exploration before and after the normal school day hours. These programs provide numerous options for fun while also reinforcing the essential lessons and values taught throughout the school day.

Extended Day

Our Extended Day program allows busy working families the flexibility to drop-off before the school day starts and pick-up after the normal dismissal time. Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills, and to reinforce the skills they're learning during the school day, while providing plenty of time for fun with friends.

Program Details:

- Hours: 7:00-8:00am; 4:00-6:00pm
- Nutritious snacks
- Dedicated and specially trained staff members with experience in working with children.
- Indoor & Outdoor Facilities

Clubs & Enrichment

Our Clubs and Enrichment Programs are great ways for your child to expand on their interests or pursue new passions. These can be added in conjunction with our Extended Day Program or independently. This program offers families an opportunity to enroll their student in one or more days of after school activities without leaving the convenience of our campus.

Program Details:

- Hours: Varies by Club & Enrichment
- Nutritious snacks
- Dedicated and specially trained staff members in specialty area.
- Facilities
- Special Program

Extended Day

Extended Day

Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills and to reinforce the skills they're learning during the school day.

Students explore the exciting world of science, technology, engineering, art and math (STEAM) through building projects, experiments, and design challenges. Sharing ideas, asking questions, and making predictions are encouraged!

Robust outdoor free play and structured games help students learn sportsmanship and develop their physical strength and endurance. Students learn critical thinking and problem solving by participating in board games and team challenges with their peers.

Students express themselves by participating in hands-on visual arts, including photography, videography, drawing, and painting. Students develop planning skills by working on long-term projects with their peers and can participate in group performances or discussions.

Social and emotional growth is nurtured through student and teacher led activities that promote a feeling of community and belonging. Students learn through open-ended activities that give them a chance to apply problem-solving skills and collaborate with friends.

Some students appreciate the chance for independent activities or study after a long day at school. We provide a quiet place to work on homework, read, journal, or seek academic support from peers and teachers. Students can also work on various projects in this small group setting.

Clubs & Enrichment

Soccer Shots

Soccer Shots is an engaging children's soccer program with a focus on character development. Our caring team positively impacts children's lives on and off the field through best-in-class coaching, curriculum and communication.

Grades: Pre-K – 1st Grade

Weeks Offered: Mondays; 3/4 to 4/29 (8 Sessions);
No Session 3/25

Time: 4:00-4:45pm

Cost: \$165

Instructor: Soccer Shots

Register: Click [here](#)

Dungeons & Dragons

Players form an adventuring party to explore fantasy worlds together as they embark on epic quests and level up in experience. The Dungeon Master is the game's referee and storyteller. There's no winning or losing in D&D. The point of the game is to complete the different series of challenges while working together to make decisions, while working through your quest!

Grades: 3rd – 5th Grade

Weeks Offered: Mondays; 3/4 to 4/29 (8 Sessions);
No Session 3/25

Time: 3:45-4:45pm

Cost: \$100

Instructor: Mr. Pat

Register: Click [here](#)

Bricks 4 Kidz

Each class is a fun and educational LEGO-building adventure with Bricks 4 Kidz. We use age-appropriate models for different levels of building skill. This hands-on class explores STEAM concepts (Science, Technology, Engineering, Art, and Math) primarily using LEGO Bricks, in which children will develop problem-solving and critical-thinking skills in a fun and engaging way. Even our youngest and newest students will learn how to make mechanical LEGO models that move and groove. As they advance in building skill, they'll also motorize their weekly model for even more learning fun!

Grades: Pre-K – 5th Grade

Weeks Offered: Tuesdays; 3/5 to 4/30 (8 Sessions);
No Session 3/26

Time: 3:45-4:45pm

Cost: \$135

Instructor: Bricks 4 Kidz

Smash Masters Society

Calling all aspiring champions! Dive into the action-packed universe of Super Smash Brothers, where students from 1st to 5th grade will learn effective fighting game methods and strategies under the guidance of Mike and Ron. Using classic favorites to new challengers, our focus on knowing your opponent and yourself will sharpen your child's skills and foster teamwork, making them unstoppable in every battle!

Grades: 1st – 5th Grade

Weeks Offered: Tuesdays; 3/12 to 5/7 (8 Sessions);
No Session 3/26

Time: 4:00-5:00pm

Cost: \$150

Instructor: Mike Castrovinci

ATA Martial Arts

A psychological study found that children in martial arts have an increased sense of responsibility and a decrease in the willingness to take foolish risks. They also have a high sense of self-esteem. This is why millions of parents are using martial arts to supplement their children's formal education. Parents enroll their children in ATA's programs for different reasons, but with one common goal: to help their children grow and mature to the best of their abilities.

Grades: Pre-K – 5th Grade

Weeks Offered: Thursdays; 3/7 to 5/2 (8 Sessions); No Session 3/28

Time: 4:00-4:30pm

Cost: \$130

Instructor: ATA Martial Arts
