We wanted to thank you all for your participation in our camp this summer! We are preparing for the new school year and will be sending out zoom links to keep you up to date and be ready for an awesome academic year.

Online Parent Communication

As we get ready to kick off a new school year, we want to make sure you're kept in the know. In addition to this newsletter, the "For Parents" section of our website also includes links to our menu, monthly calendar, and school year calendar. If you're not currently receiving photos and daily reports for your child, you can easily change this by downloading the Links 2 Home app on your phone. Just type "Links 2 Home" in the search bar for the Apple App Store or Google Play Store. After downloading, you can register with the same email address that you used to enroll your child in our school.

Do you know a colleague who has recently had a baby, a friend in need of care who just relocated to the area, or a family member who is seeking a new preschool for their child? Refer them to us. When you refer a friend and they enroll, you're eligible for a **free week of tuition**. Ask us for details!
