Fall 2022

A Place to Grow:

Where learning continues beyond the school day

Our Before & After School Programs offer students enriching opportunities for discovery and exploration before and after the normal school day hours. These programs provide numerous options for fun while also reinforcing the essential lessons and values taught throughout the school day.

Extended Day

Our Extended Day program allows busy working families the flexibility to drop-off before the school day starts and pick-up after the normal dismissal time. Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills, and to reinforce the skills they're learning during the school day, while providing plenty of time for fun with friends.

Program Details:

- Hours: Pre-K - 1st Grade 3:30-6:00pm; 2nd – 5th Grade 4:00-6:00pm
- Nutritious snacks to help children form healthy eating habits
- Dedicated and specially trained staff members with experience in working with older children.
- Expansive outdoor area; Indoor gymnasium
- Monthly entertainers

Clubs & Enrichment

Our Clubs and Enrichment Programs are great ways for your child to expand on their interests or pursue new passions. These can be added in conjunction with our Extended Day Program or independently. This program offers families an opportunity to enroll their student in one or more days of after school activities without leaving the convenience of our campus.

Program Details:

- Hours: Varies by Club & Enrichment
- Dedicated and specially trained staff members in specialty area.
- Variety of activities for all age groups

Extended Day

Extended Day

Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills and to reinforce the skills they're learning during the school day.

Students explore the exciting world of science, technology, engineering, art and math (STEAM) through building projects, experiments, and design challenges. Sharing ideas, asking questions, and making predictions are encouraged!

Robust outdoor free play and structured games help students learn sportsmanship and develop their physical strength and endurance. Students learn critical thinking and problem solving by participating in board games and team challenges with their peers.

Students express themselves by participating in hands-on visual arts, including photography, videography, drawing, and painting. Students develop planning skills by working on long-term projects with their peers and can participate in group performances or discussions.

Social and emotional growth is nurtured through student and teacher led activities that promote a feeling of community and belonging. Students learn through open-ended activities that give them a chance to apply problem-solving skills and collaborate with friends.

Some students appreciate the chance for independent activities or study after a long day at school. We provide a quiet place to work on homework, read, journal, or seek academic support from peers and teachers. Students can also work on various projects in this small group setting.

Clubs

Soccer Shots

Soccer Shots is an engaging children's soccer program with a focus on character development. Our caring team positively impacts children's lives on and off the field through best-in-class coaching, curriculum and communication.

Grades: Pre-K – 1st Grade

Weeks Offered & Time: Mondays 9/26 – 11/21
(OFF 10/10) 3:45-4:30pm

Cost: \$136 for 8 Week Fall Season payable to CBA via check or Alma

Registration: Online @ chestercounty-newcastlecounty.soccershots.com

Tumbling

This club will consist of progression skills and drills for front and back tumbling and stretching technique and coordination. We will explore skills such as forward and backward rolls, handstands, cartwheels, walkovers, handsprings and skill combinations. Any questions can be emailed to megan.o'neal@chesterbrookacademy.com.

Grades: 1st – 5th Grade

Weeks Offered & Time: Mondays 9/26 – 11/21
(OFF 10/10) 3:45-4:30pm

Cost: \$120

Instructor: Ms. O'Neal

Registration: Via [Google Form](#)

Drone Aviation

The Drone Aviation club challenges students to use small drones to solve problems. Students will use a drone to inspect difficult-to-reach areas within the school, develop and present a drone-security solution, and even simulate potential avalanche locations at a new ski resort.

Grades: 2nd – 5th Grade

Weeks Offered & Time: Mondays 9/26 – 11/21, 3:45-4:45pm

Cost: \$140

Instructor: Mrs. DeFeo

Registration: Via [Google Form](#)

Sewing Club

Learn the basics of sewing in this fun after school club! We will create some cool projects utilizing beginner hand and machine sewing skills.

Grades: 2nd – 5th Grade

Weeks Offered & Time: Tuesdays 9/27 – 11/22, 3:45-4:45pm

Cost: \$175

Instructor: Mrs. G.

Registration: Via [Google Form](#)

NBA Math Hoops

The NBA Math Hoops board game was developed in an educator's classroom and has scaled to reach over a quarter million students nationwide. All games are produced by Hasbro and focus on foundational math skills for elementary and middle school students.

*Students should be fluent in multiplication

Grades: 3rd – 5th

Weeks Offered & Time: Tuesday 9/27 – 11/22, 3:45-4:30

Cost: \$95

Instructor: Mrs. Garritt & Ms. Benson

Registration: Via [Google Form](#)

Chess Wizards

Join Chess Wizards this year for challenging chess lessons, exciting tournaments, fun, team activities, and more! If you're brand new to chess, we'll teach you the basics and get you playing right away. If you're a seasoned check mate artist, we'll show you new ways to let your creativity show on the chess board.

Grades: Pre-K – 5th Grade

Weeks Offered & Time: Wednesdays 9/28-12/7 (OFF 11/23), 3:45-4:45pm

Cost: \$230

Instructor: Chess Wizards

Registration: Online only @ www.chesswizards.com

Bricks 4 Kidz

Step aboard to build some exciting ways to get from here to there. Take to the sky in our Bricks 4 Kidz helicopter model or air show model; race across the beach in an ingenious land sail; zoom through the water on a jet ski. Kids will learn what makes each machine unique and how it moves, exploring concepts such as buoyancy, propulsion, lift and g-forces! What other ways will you invent to travel through air, land and sea! Whether you're a high-speed thrill-seeker or just curious about how things work, this unit offers something for everyone!

Grades: Pre-K – 5th Grade

Weeks Offered & Time: Wednesdays 9/28-11/16, 3:45-4:45pm

Cost: \$150

Instructor: Bricks 4 Kidz

Registration: Via [Google Form](#)

Science Explorers

KaBoom Chemistry - We've picked some of our favorite activities and even created some new ones for this 3-session club. Get your goggles ready to experiment with chemistry that fizzes, bangs and pops. Make an explosion in a bag, erupt a mini geyser, mix up fizzy bath poppers, and create bubbling concoctions!

Grades: 1st – 5th Grade

Weeks Offered & Time: Thursdays 9/29, 10/6, 10/13, 3:45-4:45pm

Cost: \$99

Instructor: Mrs. Millstein

Registration: Online at <https://scienceexplorers.com/registration/camp/kaboom-chemistry-75-14441>

Science Explorers

Adventures in Science - All aboard for a science adventure! Experience a new kind of science each week that will give you a little samplin' of this year's club themes. Become a toy scientist, channel your inner oceanographer, create with circuits and break out your safety goggles for the best mix of physics, chemistry, and biology fun around. It's sure to be a wild ride!

Grades: 1st – 5th Grade

Weeks Offered & Time: Thursdays 10/27, 11/3, 11/10, 11/17

Cost: \$99

Instructor: Mrs. Millstein

Registration: Online at <https://scienceexplorers.com/registration/camp/adventures-in-science!-99-14442>

Science Explorers

Toying Around with Science Jr. - Explore the world of physics and chemistry that exists in toys. We'll put a spin on some classic favorites and introduce you to some new "totally tubular" toys. Boomerangs, yo-yos, kaleidoscopes and roaring cups are all part of the fun!

Grades: 1st – 5th Grade

Weeks Offered & Time: Thursdays 12/1, 12/8, 12/15, 12/22, 3:45-4:45pm

Cost: \$99

Instructor: Mrs. Millstein

Registration: Online at <https://scienceexplorers.com/registration/camp/toying-around-with-science-99-14443>

Process Art Playground!

Young artists will engage in art projects that focus on the making & doing rather than the finished product! This type of art club allows for more self-discovery and creativity while exploring a variety of mediums.

Grades: Pre-K – 1st Grade

Weeks Offered & Time: Thursdays 9/29-11/17, 3:45-4:45pm

Cost: \$150

Instructor: Mrs. G

Registration: Via [Google Form](#)

ATA Martial Arts

A psychological study found that children in martial arts have an increased sense of responsibility and a decrease in the willingness to take foolish risks. They also have a high sense of self-esteem. This is why millions of parents are using martial arts to supplement their children's formal education. Parents enroll their children in ATA's programs for different reasons, but with one common goal: to help their children grow and mature to the best of their abilities.

Grades: Pre-K – 5th Grade

Weeks Offered & Time: Thursdays 10/6 – 11/17 (OFF 10/13), 3:45-4:15pm

Cost: \$125

Instructor: ATA Martial Arts

Registration: Via [Google Form](#)
