### Join us for our Virtual Speaker Series - "The Power of Resilience: How to Support and Nurture it in Your Child" on Sept. 20 at 4PM PST / 7PM EST

Resilience contributes to an overall sense of well-being and happiness and helps children to develop strong relationships and find success in school and career. By nurturing resilience, we help our children to successfully weather difficult times, develop positive coping skills, bounce back from challenges, and continue to grow and thrive. Join parenting expert Laura Myszne to learn how you can encourage resilience in your child from an early age. Register today at <https://conta.cc/3dmGKMs>.

### You're Invited to Our Fall Festival

Mark your calendars! Our Fall Festival and Open House event is on Saturday, October 22nd from 10am-1pm. Join us for games, refreshments, and fun fall activities. Do you know a friend seeking a new preschool for their child? Bring them along to our event!

When you refer a friend and they enroll, you're eligible for a free week of tuition. More details about the Fall Festival to come.

August is coming to an end and another school year is upon us! I want to take a moment to thank everyone for your cooperation to make this summer successful and fun for our students. As we prepare for the new school year, we would like to extend a warm welcome to our new families and a sincere thank you to our returning families.
