==== CHESTERBROOK ACADEMY COLLEGEVILLE ====

NOTE FROM THE PRINCIPAL

It has been a great month with so many fun activities. The kids have made so many discoveries while investigating pumpkins, fall leaves and enjoying the great fall weather. The Fall Festival was a huge success and we enjoyed seeing so many of our families come out for some fall fun.

November is all about giving thanks, so this month we will focus on gratitude, connecting with other and sharing family traditions. We are looking forward to a fantastic month!
