

Chesterbrook Academy®

11/15/2022

Greetings parents and families,

It is my honor to introduce myself as your new Principal for Chesterbrook Academy – Oswego. My name is Tracy Diaz and I can assure you that I share in this school's commitment to caring for your children each and every day while providing them a safe, world-class learning environment.

I come to Chesterbrook having earned my degree in Early Childhood Education from Elmhurst College and Business Management from Rasmussen College. I have worked as an Assistant Teacher, Lead Teacher, Assistant Director and Acting Director in the Early Childhood field for more than 20 years.

In addition to my role as Principal, I am first and foremost a mother and wife. My oldest, Spencer, will be heading off to Florida Gulf Coast University this December. Audrie is in 6th grade at Wayne Elementary and my youngest Madeline, who is 4, will be joining our Pre-K program come January.

I am excited to get to know all of you and your families here at Chesterbrook Academy. I believe that communication is key to success and strong relationships. My door is always open, please feel free to reach out with any questions/concerns or just pop in to say hello!

Sincerely,

Tracy Diaz
