Cubby Refresh and Toys from home

The year is off to a great start and we're enjoying spending the winter season with you and your children. If you've not already done so, please send in an extra set of weather appropriate clothes for your child. We want everyone to be able to participate in the fun outdoor activities we have planned. **Please label all items to help us keep track of clothing, blankets and other items. Often children have similar hats, gloves or blankets.**

Also refrain from bringing in toys from home to school. They can easily get misplaced, or broken. Toys from home are also a distraction to the other students in the class. Partner with your child's teacher or our administration team for any clarity or to answer your questions related to toys your child may bring in. Show and share items are allowed and should be small enough to fit in your child cubby and labeled with your child's name or initials. Loveys or napping items are allowed during nap time.

As always, it is an honor to work with and watch your children grow. Thank you for choosing our Chesterbrook for your family.

Spreading Kindness Notes of Appreciation

Starting Tuesday January 31st:

In our front lobby we will have a small table set up with paper, markers, pens, etc. and a mailbox for CBA parents and students to make and leave Thank you or Appreciation notes for our staff.

You can always make notes at home to bring in and stuff our Appreciation Mailbox.

We can't wait to show our teacher how much we appreciate their hard work and dedication
