Love is in the Air

Black History Month is an annual celebration of achievements by African Americans and a time for recognizing their central role in U.S. history. Our students will learn about local and influential African Americans through books, learning experiences, and classroom discussions.

We will be celebrating Valentine's Day on Tuesday, February 14th. Children are invited to bring in valentines to share with their classmates and will participate in Valentine-themed activities throughout the day. We are also inviting all families to join in the celebration with their children in their classrooms at 3:30pm.

For all eligible families, our priority registration program for the 2023-2024 school year will kick off on Monday, February 6th and continue through Friday, March 17th. We will be sending reminders via our Links 2 Home communication tool to ensure you secure your child's spot for the coming school year and take advantage of the priority re-enrollment registration discount. Stay tuned for more information.

Do you know a colleague who has recently had a baby, a friend in need of care who just relocated to the area, or a family member who is seeking a new preschool for their child? When you refer a friend and they enroll, you're eligible for a **free week of TUITION. Ask us for details!**
