A Note from Our Principal

March is National Reading Month. This month, our teachers have exciting activities planned, including reading and reenacting favorite books, introducing students to new titles, and much more. We will also have a reading incentive this month. Each child will be given a log to keep track of the books that are read at home (extras will be located in the lobby). If the children as a collective read 2000 books (we will watch the chain grow throughout the school) by March 27th they will be able to slime me on March 31st and will receive a special surprise.

This month we will be having a book drive for the Pajama program which distributes the new or gently used books to children who otherwise would not know the enjoyment of reading a bedtime story with their parents. A donation box will be located in the foyer.

March 25th @ 10am Ms Kimberly will be hosting a parent workshop at our school called "Reading Books with your children". This will be an interactive workshop that will explore how to keep your child engaged while being read to and how to support comprehension skills. There will be a sign up list at the front desk. Please bring your child's favorite book to explore with friends during the training. Childcare will be provided. Outside families are welcome!

Sincerely,
Kimberly Holmes

Priority re-Enrollment

Don't forget! Priority re-enrollment ends March 17. There has been an overwhelming demand, so we want to make sure you secure your child's spot for next school year.

Open House / Family Referral Bonus

Our next Open House is on March 18th. Do you know a colleague who has recently had a baby, a friend in need of care who just relocated to the area, or a family member who is seeking a new preschool for their child? When you refer a friend and they enroll, you're eligible for a **free week of tuition**. Ask us for details!

Love Our School? Review Us

In today's connected world, many families turn to online reviews to learn more about the reputation of schools. Just a reminder that you can find our school on Facebook, Google, Yelp and other online directories. We'd love more families like yours, so please consider spreading the word about our school.

Spring Break Camp April 3rd-April 10th

Our local school districts are closed for spring break, but our school-age program is open! We have an entire week of challenging, fun, and engaging activities planned for our school-age students. We cherish this time with our older students and would love for your child to attend. Please contact us to learn more.
