## Spring is Here!

**Happy April! This month, we are looking forward to spending even more time exploring the outdoors with your children. Spring provides a great opportunity for them to learn and grow as they discover new things in their environment. Our teachers are planning outdoor games, lessons, picnics, and more. We also have Week of the Young Child and Earth Day this month!**

**Week of the Young Child, April 1-7, recognizes young students, their teachers, and their families for all their hard work. This annual event, sponsored by The National Association for the Education of Young Children (NAEYC), allows us to showcase the importance of early childhood education, our Links to Learning curriculum, and everyone who makes it possible. We have many fun activities planned for Music Monday, Tasty Tuesday, Work Together Wednesday, Artsy Thursday, and Family Friday. We will send more information via Links 2 Home soon.**

**Earth Day falls on a Saturday this year, so we will be celebrating on April 21. Our classes will be releasing lady bugs. We can't wait to share photos with you. We will also like to invite all families in to plant flowers with their children on Friday, April 28<sup>th</sup> any time between 4-6.**
