MAKING A DIFFERENCE ONE MIND AT A TIME

We always like to give credit where credit is due, and for the month of May, that credit goes directly to the heart and soul of our school: our incredible teachers! I'm so proud of all of the work that our teachers put in to provide your children with fulfilling and memorable early childhood experiences. Many of our teachers put in time and effort well beyond the school day with no extra compensation other than the smiles given to them by your children each morning. While they often tell me that those smiles are more than enough, I'm sure we can all agree that they certainly deserve so much more. For this year's Teacher Appreciation Week, our teaching staff will be celebrated each day with special events intended to make them feel loved, valued, respected, and – of course – appreciated!

We are pleased to hear that many of you have been enjoying the ability to communicate directly with your child's teacher through the direct message function of our Links 2 Home app. While our teachers strive to respond to messages as quickly as possible, please keep in mind that they are primarily focused on caring for and educating their students during school hours. Teachers will make every effort to respond as soon as they are able. As always, for urgent or time-sensitive matters, please call us at 215-897-9058.
