

Teacher Appreciation Week: May 8-12, 2023

Teacher Appreciation Week is a time for us to recognize our teachers and all they do for our children, families, and school. We will be providing special treats and events throughout the week, and we want to share some ideas you may consider as well! Each day of the week has a different theme, and you are invited to incorporate one or more of the themes into what you choose to do for our staff. These small and thoughtful tokens from you, the families, truly make the teachers' week that much more special. Thank you, in advance, for making this such a special week for our staff!
