Get ready for an awesome summer! Our teachers and staff are busy planning a fun and unforgettable experience for our students. From sports and games to arts and crafts, we have something for everyone. We will be sharing more information soon via Links 2 Home about our upcoming events and activities. As always, we are here to answer any questions or concerns you may have.

Did you know?

Sight words help children become good readers. Our students learn to recognize these words in books, and our teachers work to reinforce them in class... enhancing reading comprehension and fluency, and making reading fun!

We have several water play days planned for our students this summer and can't wait for your child to participate! Children should come to school in their swimsuit (with swim diaper when applicable) and with a towel and a change of dry clothes. Please remember to apply sunscreen to your child before you drop them off. Our scheduled splash days for June are listed on the camp calendars

Thank you to those families who have already secured their re-enrollment for the upcoming school year. Our classrooms are filling quickly and our teachers have already started to plan exciting new activities for next year. For those who have not yet registered, we urge you to complete the re-enrollment process as soon as possible to guarantee your child's spot for September. Please let us know if you have any questions or need a copy of the Letter of Intent form to complete for the 2023/2024 school year. Thank you for your partnership. We look forward to another year of growth, learning, and fun together!
