Loving our Summer!

The summer is not over yet, and we have lots of fun events still planned. We still have a few more splash days ahead of us, as well as many wonderful shows! We have been having so much fun this summer.

We wanted to thank you all for your participation in our Kids Helping Communities initiative this summer! We are grateful for the opportunity to watch our students serve others these past few weeks. We are proud to announce that we collected \$2,849 so far. Thank you for your generous donations!

Please make sure to refresh the spare clothing in your child's cubby. Take home anything that no longer fits and leave a spare set of well-fitting, weather-appropriate clothes.

As we get ready to kick off a new school year, we want to make sure you're kept in the know. In addition to this newsletter, the "For Parents" section of our website also includes links to our menu, monthly calendar, and school year calendar. If you're not currently receiving photos and daily reports for your child, you can easily change this by downloading the Links 2 Home app on your phone. After downloading, you can register with the same email address that you used to enroll your child in our school.
