DID YOU KNOW?

When children learn about other cultures, everyone benefits. So we encourage students to share their family traditions. In circle time, we engage in lively group discussions... and together we build a sense of belonging and inclusion.

As we do every summer, we will be participating in our Kids Helping Communities initiative to give back to communities in need. This year, we will be partnering with LLS -The Leukemia & Lymphoma Society by raising money for The LLS mission: Cure leukemia, lymphoma, Hodgkin disease and myeloma, and improve the quality of life of patients and their families. LLS funds lifesaving blood cancer research around the world, provides free information and support services, and is the voice for all blood cancer patients seeking access to quality, affordable, coordinated care. The drive will begin July 17 with a spirit week fundraiser and continue through July 28 with our summer Art Show fundraiser. Will continue to raise money and walk together in October at Reston Town Center during the annual Light the Night Walk. Keep an eye out for more information via Links 2 Home.

September will be here before we know it! Thank you to those families who have already secured their re-enrollment for the upcoming school year. Our classrooms are filling quickly. For those who have not yet registered, we urge you to complete the re-enrollment process as soon as possible to guarantee your child's spot. Please let us know if you have any questions or need a copy of the Letter of Intent form. We look forward to another year of growth, learning, and fun together!

Do you know a colleague who has recently had a baby, a friend in need of care who just relocated to the area, or a family member who is seeking a new preschool for their child? Invite them to our Open House on **August 5**. When you refer a friend and they enroll, you're eligible for a **free week of tuition**. Ask us for details!
