As we kickstart the month of October, I wanted to take a moment to reflect on the changing seasons and the wonderful opportunities that await our students. Fall offers the perfect backdrop for learning. Our students will explore the outdoors and feel the crisp air as they participate in memorable, seasonal activities. We have a lot of exciting things planned this month, including a pumpkin decorating contest, trunk or treat event, and more. We will keep you updated via Links to Home. Thank you for entrusting us with your child's education. We look forward to a season filled with growth, learning, and fun.

Do you know a colleague who has recently had a baby, a friend in need of care who just relocated to the area, or a family member who is seeking a new preschool for their child? Invite them to our Open House on **October 21**. When you refer a friend and they enroll, you're eligible for a **free week of tuition**. Ask us for details!

Young children can quickly become overwhelmed by big feelings that lead to crying, meltdowns, aggression, and other challenging behaviors. Learn ways to teach your child to develop coping skills and manage disappointment. Help them handle separation anxiety and other worries while establishing self-soothing techniques.
