

# Chesterbrook Academy

Welcome to the 23-24 School year

## **Welcome to the New School Year!**

What a great first day of school last Monday! The teachers have planned a lot of fun activities this week which will focus on the children getting to know each other, their teachers, and their school. The first months of school will be focused on assessing the children to see what they already know so that we know how we can better help them grow their love of school.

Please remember that our school will be closed September 4th in observance of Labor day. We will be hosting a back to school night on September 22nd starting at 6:30pm-7:30pm. This is a great time to meet the teachers and to learn about their plans to further help your child meet their educational goals.

The new monthly tuition rates started this month and was pulled from your ACH on the 1st of each month. Please plan to pay in a timely fashion in order to avoid any late fees.

I look forward to working with all of you to make your child's first years of school a success. As always please remember that my office door is always open.

Sincerely,

Kim Holmes

## **Upcoming Ancillaries**
