**Family Survey Reminder**  
Our enrolled family survey launched in October. If you have not received the email, please let us know so we can request it be resent. The survey provides the opportunity for you to give us feedback anonymously on our strengths and areas we can work on. Survey closes November 17.

This month, we will embark on a journey of fostering connections and celebrating cherished family traditions, as we nurture the spirit of Thanksgiving and togetherness. Our preschoolers will be engaged in activities that inspire gratitude and kindness, such as creating festive crafts, sharing personal experiences, and learning about the importance of giving back to our community. As a reminder, please make sure to refresh the spare clothing in your child's cubby. Take home anything that no longer fits and leave a spare set of well-fitting, weather-appropriate clothes.

Thank you for entrusting us with the care and education of your children. We look forward to another month of joy and learning!

## American Indian & Alaska

### Native Heritage Month

November is American Indian & Alaska Native Heritage Month. It is a time to honor their culture, accomplishments, and contributions. When children acknowledge and appreciate diverse cultures, they are helping to build a community of belonging and inclusion. We will be celebrating in our classrooms by reading books with Native American characters, making a traditional meal, and exploring nature which is an important part of the Native American culture!

## Family Referral Bonus

Do you know a colleague who has recently had a baby, a friend in need of care who just relocated to the area, or a family member who is seeking a new preschool for their child? When you refer a friend and they enroll, you are eligible for a free week of tuition. Ask us for details!

## Did You Know?

Children's first communities are their home and their school — safe havens where they are supported and nurtured as they learn their own strengths and abilities and gain confidence.
