Black History Month is an annual celebration of achievements by African Americans and a time for recognizing their central role in U.S. history. Our students will learn about local and influential African Americans through books, learning experiences, and classroom discussions. We will be hosting a Black History Museum at the end of the month.

We will be celebrating Valentine's Day on Wednesday, February 14th. Children are invited to bring in valentines to share with their classmates and will participate in Valentine-themed activities throughout the day. Families are invited to join our celebration from 3:15-4:45.

Priority re-enrollment starts February 5th! Take advantage of our registration discount and secure your child's spot for next school year. More information will be sent via Links 2 Home.

If you have not already done so, please send an extra set of weather-appropriate clothes for your child. We want everyone to be able to participate in the fun outdoor activities we have planned, so please be sure to provide appropriate outerwear.

As always, working with and watching your children grow is an honor. Thank you for choosing our preschool for your family.
